

Dear Friends of Delco Literacy,

As **National Volunteer Month** comes to a close, our gratitude for the volunteers who give their time and heart to this mission doesn't end with April. Our volunteer's dedication is what makes this work possible every single day of the year.

We're also thrilled to share that one of our very own has received statewide recognition: **Peter Matthews** has been named **PAACE's 2026 Outstanding Volunteer of the Year!** Peter, your commitment to Delco Literacy is an inspiration to all of us. Congratulations and many thanks for all you do!

May brings another opportunity to celebrate - this week is **National Teacher Appreciation Week!** We're grateful for the educators who inspire and support our adult learners every day.

While these celebrations have an end date, our gratitude for the volunteers and educators who champion adult literacy does not. If you'd like to support this vital work, your gift during **Delco Gives** goes even further, making now a wonderful time to invest in our community.

Student Career Center Grand Opening

We're thrilled to announce that the **Delco Literacy Student Career Center** is officially open to serve all Delco Literacy students!

This transformative space reflects our commitment to empowering adult learners to move **from education to meaningful employment and economic independence**, creating stronger communities across Delaware County along the way.

While career support has always been a cornerstone of what we offer, our learners now have a dedicated space built specifically to support their professional goals.
