

Dear Friends of Delco Literacy,

Our Delco Literacy community recently gathered for our annual Student Celebration Ceremony to honor the inspiring achievements, relentless persistence, and hard work of our adult learners. Watching our students walk across the stage is always a powerful reminder of how education rewrites futures, whether they are mastering English, improving digital literacy, or earning a GED.

Student Celebration Ceremony

Our annual Student Celebration Ceremony was a beautiful testament to the hard work and resilience of our adult learners. Together with families, teachers, and supporters, we cheered on the life-changing milestones achieved this year.

We are incredibly proud to spotlight all of our GED graduates, new U.S. citizens, essay award winners, and our ESL and GED Students of the Year!

Student Spotlight: Career Services Student of the Year

This year, we are proud to present a new award to an individual who has demonstrated outstanding commitment to their career goals through hard work, perseverance, and career growth. The first ever Career Services Student of the Year award goes to **Jean Aspe Jean Baptiste** for his dedication to career growth, workforce readiness, and long-term success.

Through his perseverance and a strong commitment to learning, Jean has actively built his skills and thoughtfully planned for his future, leading to his acceptance into the **Electromechanical Training Program at Delaware County Community College**. Jean's progress reflects the power of focus and persistence. We look forward to all that he will accomplish in this next step.

Please join us in celebrating Jean's incredible drive and well-deserved success!

Heartfelt Thanks to Our Hosts and Distinguished Guest Speakers

An event of this magnitude is only possible through strong community collaboration. We extend our deepest gratitude to **Delaware County Community College** for generously hosting us on their beautiful campus and providing the perfect stage to honor our students.

We also want to share a special thank you to our esteemed guest speakers who lent their voices, wisdom, and encouragement to our graduates and attendees: Rick Durante, Delco Literacy Board President; Dr. Marcus Swinson, Dean of Students, Delaware County Community College; Mayor Stefan Roots, City of Chester; Cory B. Long, Founder & Executive Director, Making A Change Group; and Jeannine Fallon Anckaitis, Corporate Social Responsibility Manager, Sun East Federal Credit Union.

New Program Year Started July 8th!

As we celebrate these incredible milestones, we have already started another impactful year of learning! The 2026-2027 program year officially kicked off on Wednesday, July 8th, bringing fresh opportunities for adult learners to achieve their academic and professional goals. Registration is now open for our GED preparation, English as a Second Language (ESL), citizenship, career readiness, and digital literacy classes. If you or someone you know is ready to take the next step, or if you are interested in changing a life by becoming a volunteer tutor, please [visit our website](#) or contact our office at 610-876-4811 to get started.

Here is to another year of breaking barriers and rewriting futures together!
